EDUCATION

Course	College / University	Year	CGPA / %
B.Tech (Electrical Engineering)	Netaji Subhas University of Technology	2022-2026	7
Class XII (CBSE)	Ahlcon Public School	2022	77.2
Class X (CBSE)	Cambridge School Noida	2020	92.2

INTERNSHIP/S

- **Data Analytics & Product Strategy Intern** | Rajdarbar Realty | New Delhi, India **May 2025 - Present**
 - Built a comprehensive **financial model** in Excel to drive a go/no-go investment decision on a DDA hotel site, presenting profitability forecasts and **cash flow analysis** to senior leadership.
 - Developed the **business case** for a new customer loyalty program ("Friends of Foyer"), defining its **value proposition**, features, and T&Cs through market research and **competitive benchmarking**.
 - Partnered with **BCG consultants** to translate stakeholder requirements into technical specs for **Power BI** dashboards, enhancing strategic oversight for a multi-million dollar real estate portfolio.
 - Synthesized quantitative & qualitative data from sources like **CRISIL** to define optimal performance targets (**ARR, GOP Margin**) and identify key market opportunities.

PROJECTS

- **Vendor Performance & Inventory Analysis** | SQL, Python, Power BI | [\[View Project Report\]](#) **June 2025 - July 2025**
 - Engineered an ETL pipeline using **Python** and **SQL** to consolidate over **10 million records** from disparate sources into a SQLite database, improving data accessibility and query performance.
 - Developed an interactive **Power BI dashboard** with custom **DAX measures** that identified **198 underperforming brands** and the top 10 vendors that accounted for **65.7%** of total purchases, prompting a vendor diversification strategy.
 - Executed statistical **hypothesis testing** (T-test) to validate distinct vendor profitability models and quantified **\$2.71M in capital locked in unsold inventory**, providing actionable recommendations for cost savings.
- **Product Strategy & Design: Habit Horizon** | Product Management | [\[View Case Study\]](#) **May 2025 - June 2025**
 - Identified a market gap for an "anti-habit tracker" via **user research** and authored a comprehensive **Product Requirement Document (PRD)** detailing the user journey and feature prioritization (MoSCoW).
 - Defined the product's core value proposition and success metrics (KPIs), including **Daily Active Users (DAU)**, and developed a GTM strategy with a data-driven roadmap for future A/B testing.
- **Strategic Case Study: Indian EV Sector** | Market Analysis **May 2025 - July 2025**
 - Developed a 5-year strategic roadmap for an automotive OEM (e.g., Mahindra & Mahindra) to capture market share in India's burgeoning **\$12B+** passenger EV market.
 - Analyzed market trends, **FAME-II** policy, and competitive strategies to identify a "premium SUV" entry niche and built a **TCO model** proving a 3-4 year breakeven for EVs over ICE.
 - Formulated a three-pronged recommendation focused on a targeted product portfolio, TCO-based marketing, and a capital-light charging partnership strategy.

POSITIONS OF RESPONSIBILITY

- **President & Head of Content** | Axiom - The Philosophy Society of NSUT **May 2024 - May 2025**
 - Pioneered and launched the society's first official **website**, defining its initial product roadmap; directed **two short films (5,000+ views)**.
 - Spearheaded "Jagriti," the society's first **4-way cross-society collaboration**, securing the **Head of CSR from OPPO** as the chief guest.
 - Organized key community events including 'Philo-Walks' and "Eclipse", a mental health talk.
- **Head of Content** | The NSUT Quiz Club - The Quizzing Society of NSUT **June 2025 - Present**
 - Spearheaded the flagship Biz-Tech Quiz during **Moksha-Innovision '24**, managing a **₹50k prize pool** and attracting **100+ participants** from universities across the region.
 - Developed the content strategy and authored material for all major club quizzes, leading the content vertical for the society's largest annual event.

Skills

- **Languages:** SQL (MySQL, PostgreSQL), Python (NumPy, Pandas, Matplotlib, Seaborn)
- **Data Analysis and Visualization:** Adobe Analytics, Tableau, Power BI, MS Excel, Google Data Studio
- **Soft Skills:** Leadership, Communication, Public Speaking, Time Management
